Don't miss this chance to learn about what the Navy is doing for sustainability.

Commander Manalo will discuss green building practices, the sustainable strategies in place, low impact development, renewable energy strategies and specific project case studies.

Commander Gil Manalo is from Newport News, Virginia and is currently serving as the Public Works Officer for NAS Jacksonville, FL. He is a Seabee Combat Warfare Officer. He was commissioned through the NROTC scholarship program at the University of Rochester in May 1993 and graduated with high distinction earning a Bachelor of Science degree in Mechanical Engineering. He is a registered professional engineer

Throughout his career, Commander Manalo has held numerous positions including Director of Engineering at the Naval Facilities Engineering Command Marianas where he managed the Facility Engineering program for the Region's \$330M Base Operating Support Contract.

**WHEN:**  
**THURSDAY, OCTOBER 20, 2011**  
**11:30 AM - 1:00 PM**

**WHERE:**  
Currents, Second Floor in the Aetna Building  
841 Prudential Drive  
Jacksonville FL 32207
